

Friday 26th February

Dear Parents,

As you are aware, our school is involved in supporting seven children in Uganda through the charity Edukid. Year 5 (and their families) have started a 'Walk to the Moon' to try and raise funds for these seven children and they would like to invite you to join with them.

I have attached the information along with a sponsor form should your child (or you/ your family/ friends!) wish to participate. **You do not need to complete the registration form, we will do that as a School.** I have said to the children that every amount raised is important, no matter how little or how much, it is **all** appreciated.

Initially, we are planning to do this until the end of June. The attached information explains in more detail but we hope it is something you will be able to join in with. Please feel free to invite any friends and family too - you can include them in your miles. There is a form that you can fill in to keep track of any miles walked/ cycled/ run during the month. At the end of each calendar month, we would then ask you to send the total for that month to your class teacher.

Please do not hesitate to contact me should you require any other details,

Thank you for your support,

Mrs Frackelton
