## Notices

### French Week

Modern foreign languages are an important part of our school curriculum. Children learn French across school and French Week will begin on Monday 20th March with a special assembly led by Mrs Fazakerley. Activities during the week will be held to celebrate French language and culture.

On **Wednesday 22nd March**, children are invited to attend school wearing clothes to represent France such as; colours of the French flag, French football kits, French book characters etc. Children will be participating in a French activity afternoon including visiting a French café they have set up. We are also very excited that on **Thursday 23rd March**, the children in Key Stage 2 will get to watch a live French/English play 'Parlez-vous Français?'

We would also like to invite children to create their own model of the Eiffel Tower, using any materials that are available to them. These models should be brought into school on Monday 20th March and they will be displayed in school, with a small prize for the most imaginative!

### Y5 to PGL Newby Wiske

We can accept instalments for the Year 5 residential until the beginning of May. Please send any money together with your payment card in a sealed envelope marked "PGL". If you are writing a cheque please make it payable to "L.C.C". Thank you.

### Easter Experience

During the last week of term, children in each class will be taking part in activities in church as part of our Easter Experience. The children will visit different stations to help them understand and explore the Easter story.
