

## Monday 6<sup>th</sup> April - School Update

Good afternoon,

I hope everyone is well and had an opportunity to enjoy the nice weather at the weekend in your gardens or by taking some exercise as outlined in Government guidance.

I would just like to take this opportunity to remind everyone of the Easter activities I highlighted on Friday as we are now in **Holy Week**. These might provide ideas for you and your family to do some things together to celebrate this special time of the year as learning has stopped for Easter. I have been really pleased with all the wonderful photos sent in about activities and learning the children have been doing at home and would also welcome any photos of things you may be doing to celebrate Easter as we continue to work together and share our experiences.

I hope everyone is well.

Mr Kennedy
