Learning Curves Nursery temporary number

Please see below message from Learning Curves:

We have been experiencing some problems with our phone that still has not been resolved and could take up to 7-10 days to resolve.

Please direct your enquiries to: info@learningcurvesnursery.co.uk

*If you do need to speak to us, we have set up a temporary phone which will be in the nursery office and will be manned between 8am - 6pm. Please store the number below in your contacts in case you need to contact us. This is the telephone number that we will call you from in the event of an emergency or if we need to speak to you. **The temporary number is: 07377 194059***

From 1 April, updated guidance will advise people with symptoms of a respiratory infection, including COVID-19, and a high temperature or who feel unwell, to try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature. From 1 April, anyone with a positive COVID-19 test result will be advised to try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend.

Volunteering in school

With Covid-19 restrictions lifting and school life resuming to normal, we are requesting that anybody interested in volunteering in school and/or accompanying children on class visits please contact the school office to register their interest. All adults coming into school are asked to undergo a DBS check as per our safeguarding policy.

Admissions

Following the admissions process this year, we still have a limited number of places available for September 2022. If anyone is interested in a place for their child for September 2022, please contact the school office.
