Mrs Fazakerley will continue to work with EYFS and KS1 and deliver French across KS2

Office Business Support – Miss Sefton

### Staff Changes

We are sorry to be saying goodbye to Mrs Birtles at the end of this term. Mrs Birtles, prior to being at our school as a Teaching Assistant for 11 years, has also been a parent and a parent helper; giving her a long and supportive association with our school. Mrs Birtles has been a very valued member of our school community and will be greatly missed. We wish her well as she leaves Aughton Christ Church C of E Primary School and takes the next step on her journey.

### Term & Holiday Dates for 2022/2023

Please see the forthcoming academic years' term and holiday dates by clicking [here](#).

### Online Safety Newsletter

Please see page 2 to view our summer term online safety newsletter.

### Pick up and drop off

A reminder of our pick up and drop off procedures are:

**Reception:** wait in the designated waiting zone at the front of school and enter through the green gate:

**Year 1 & Year 2:** children should come with parents to the top black playground ready to line up. Entrance is via the back of school.

**Year 3 & Year 4:** Children enter via the front of school and should line up on the path.

**Year 5 & Year 6:** children enter around the running path and are called by staff to line up on the red playground.

School doors will be opened at 8:45 for children to enter. Registration is at 8:55 and all children should be in school by this point. Children are dismissed via the same point they come into school.

All children who enter via the front of school (Year 3, Year 4 and Reception) are asked reminded that NO ONE should be walking across the carpark or waiting in this space. Although the carpark is shut around school entrance and exit times, the carpark is not a waiting area. We also remind all children to wait with a grown up before entering and not to run around and play. The driveway can be used to walk on as the carpark is shut at the start and end of the school day.

We are also reminding all families that it is important to leave the school site as soon as you have collected your children at the end of the day.

### Ormskirk Tennis Holiday Camps

Games, match play, bite-sized chunks of coaching, cardio tennis and 'challenge' events are all built into our fun filled sessions that are suitable for those aged 4 to 16 of any ability. Groups are separated by age to ensure they are suitable.

Monday 25th July – Friday 29th July – 1:30pm – 5pm  
 Monday 1st August – Friday 5th August – 9am to 12:30pm  
 Monday 8th August – Friday 12th August – 1:30pm – 5pm  
 Monday 15th August to Friday 19th August – 9am to 12:30pm

### **£7.50 per day for members or £15 per day for non-members**

To book a place for your child/children on any of the summer camps please click the following link - <https://clubspark.lta.org.uk/OrmskirkTennisClub/Coaching/Summary/1f8b4553-bbda-4f69-91c1-98a5b9351224>

**School will reopen on Monday 5th September at 8:45am.**

*We hope you all have a safe and happy summer holiday and we look forward to seeing you in September!*

# Online Safety Newsletter

## Welcome

Welcome to our Summer Term Online Safety Newsletter.

Education for a connected world is becoming more and more important. Children have a right to enjoy being online but as they grow older it is essential they learn how to behave and develop strategies to remain safe online.

As a school and as parents we all need to be on the same page when giving our children the advice and tools to stay safe online.

### ***Digital Well-Being—What is this?***

As we approach the long summer holiday its more important than ever that we think about our child's well-being online.

Digital Well-being is about how it makes us feel when using the internet or any forms of technology. This includes the impact it has on our:-

- ◆ Emotions
- ◆ Mental health
- ◆ Physical health

It is important that we recognise how our children are feeling whilst online? How long they spend online? What are the affects it is having on them? Tiredness, not getting outside enough, fresh air, exercise , the content they see etc.

As a school we will be encouraging the children to think about their well-being whilst using technology over the summer holidays.

Online Safety is taught to all our children, explaining and demonstrating how to stay safe and behave appropriately online.

- ◆ Over the Summer term Lancashire Police visited our school and spoke to Reception, Year 1 and Year 2 children about Keeping Safe Online. All the children really enjoyed the talks, asking lots of questions. The police were very impressed with the children's knowledge of how to stay safe online.
- ◆ Year 6 will be thinking about Moving on Up! As they prepare to leave our school and make the transition to high school. We will be looking at Friend Requests, Online Bullying, pressures on how to fit in and more.

The National Online Safety believe in empowering parents with information to hold conversations with their children about Online Safety.

National Online Safety state "Our ability to communicate with anyone in the world, at anyone time, via the internet has grown a breakneck speed. For teachers and parents, it can feel impossible to keep up..."
